**ACADEMIC SENATE
OF
CALIFORNIA POLYTECHNIC STATE UNIVERSITY
San Luis Obispo, California**

AS-273-88/EX

**RESOLUTION ON
THE FUTURE OF CONCURRENT ENROLLMENT**

- WHEREAS, The Concurrent Enrollment program offers an important service for people who are unable to meet the established deadlines of application for admission to The California State University; and
- WHEREAS, Twenty percent of Concurrent Enrollment students become regularly enrolled students; and
- WHEREAS, Approximately half of the participants utilize the program to enhance their career and job skills thus contributing to the competitiveness of the California economy; and
- WHEREAS, Concurrent Enrollment provides an opportunity for disqualified students to demonstrate performance for readmission thus, contributing to the cause of educational equity in the state; and
- WHEREAS, The Concurrent Enrollment program offers an important service to citizens who need one or two courses rather than a full program in pursuit of a degree; and
- WHEREAS, 1987-88 is the second fiscal year that 25% of all continuing education revenue has been required by the California Department of Finance for the General Fund budget; and
- WHEREAS, This decreases the funding that was previously available to (1) academic schools and departments for institutional supplies and services and faculty travel, and (2) Extended Education to administer its program; and
- WHEREAS, The present budgetary procedure of levying an assessment on the campus Concurrent Enrollment programs to pay a portion of concurrent enrollment money into the General Fund (\$2,000,000 in '85-86 and again in '86-87) causes Extended Education programs to remit funds to pay these assessments, thus endangering the future of both the Concurrent Enrollment programs and the financial stability of Extended Education programs; therefore, be it
- RESOLVED: That the Academic Senate of The California State University work with others involved in the budget-making process for 1988-89 to eliminate the Concurrent Enrollment assessments for each campus; and be it further

RESOLVED: That the Board of Trustees, the Chancellor's Office, and the Cal Poly administration be asked to join the effort to preserve the Concurrent Enrollment programs by opposing the diversion of Concurrent Enrollment money to the General Fund.
